SUMMARY

I'm creative, energetic and always up for new challenges which motivate me to learn new skills. I'm well organized planning ahead, and consistent in finding solutions. I'm able to work independently and also within a team setting. I love to use my programming skills to create fun, meaningful and well designed websites.

TECHNICAL SKILLS

HTML, CSS, Bootstrap, JavaScript, JSON, React.js, Next.js, Redux, PostgreSQL, Node.js

TECHNICAL PROJECTS

Trolleo - [Github](#) | [Demo](#)

Website to help manage your daily tasks like Trello

- Utilized React to create a friendly environment that it's easy for the user to use.
- Utilized Beautiful dnd package to create drag and drop experience.
- Utilized React, node.js and PostgreSQL to create an interactive Login and Sign up system.
- Using pure CSS to design the website and made it responsive to mobile

Avengers - [Github](#) | [Demo](#)
